Whereas the Insured by a proposal and declaration which shall be the basis of this contract of insurance and is deemed to be incorporated herein has applied to the Insurers for the insurance expressed herein and has paid the Premium appearing on the Schedule in consideration of such insurance.

ARTICLE 1 - INSURING AGREEMENT

The Insured having entered into a Contract or Contracts for the purchase of the Plant described in the Policy Schedule the Insurers do hereby agree to indemnify the Insured in accordance with the Loss Settlement clause of this policy as a direct result of:

The failure of the completed Plant to fully perform in accordance with contract specifications and technical data during the Policy Period.

Caused by or resulting from:

1.1 faulty engineering, research or process; faulty technology.
   faulty project or construction management or technical assistance.
   faulty manufacture, installation, erection, construction, repair or rectification.
   faulty workmanship or materials.

All undertaken or provided by and within the control of the Contractor(s) appearing in the Policy Schedule or his Sub-Contractors, Suppliers or Manufacturers.

Subject always to the terms, exclusions and conditions of this policy.
ARTICLE 2 - LOSS SETTLEMENT CLAUSE

2.1 Under Insuring Agreement (A) the Insurers will indemnify the Insured at the rate stated herein after the Waiting Period described below should the Plant be unable to commence commercial operations as of the agreed date for such operations appearing in the Contract or Contracts.

2.2 The Insurers will also indemnify the Insured under Insuring Agreement (A) in respect of "X"% of all additional costs expenses and commitments necessarily incurred by and for the account of the Insured in order to:

- obtain contractual completion of the Plant
- avoid or reduce delays or further delays in completion of the Plant
- achieve total performance of the Plant in accordance with contract specifications and technical data.

The Limit of the Insurers Liability under Article 2.2 shall be ______.

2.3 Under Insuring Agreement (B) the Insurers will indemnify the Insured at the rate stated below after the Waiting Period described below should the completed Plant be subject to Total Interruption of Business.

In the event of Partial Interruption of Business the Insurers shall be liable for such proportion of the indemnity as the proportion of reduction in business bears to the total business which would, but for such partial interruption, have been obtained during the period of partial interruption.

2.4 Waiting Period shall mean:

Under Insuring Agreement (A) ________ working days commencing from the agreed date for commencement of Commercial Operations under the Contract or Contracts.

Under Insuring Agreement (B) ________ working days commencing from the date upon which the total or partial interruption of business commenced.
2.5 Definition:

The agreed date for commencement of Commercial Operations shall be either:

(a) The date resulting from the application of the Contract or Contracts.

(b) Any other reasonable date notified by the Insured and agreed to by the Insurers.

2.6 Indemnity Period:

Under Insuring Agreement (A) - the period beginning with the agreed date upon which but for a delay or delays in completion of the Plant caused by a peril insured under this policy the Commercial Operation of the Plant would have commenced and ending on the date upon which commercial Operation of the Plant is commenced but in no case shall such Indemnity Period exceed _______ months.

Under Insuring Agreement (B) - the period beginning with the date upon which the Plant fails to fully perform during normal operations and ending with the date upon which full operational performance is subsequently obtained but in no case shall such Indemnity Period exceed _______ months.

2.7 Rate of Indemnity shall be _______ for every day of delay in commencement of Commercial Operations or of Total Interruption of Business of the completed Plant. The Insurers shall not be liable during the Waiting Period defined herein. The total limit of the Insured's liability under Articles 2.1 and 2.3 shall be _______.

The Insurers shall not be liable for days on which the construction or operation of the Plant are not normally performed by the Insured, the Contractor(s), his Sub-Contractors, Suppliers or Manufacturers.
2.8 **Payment of Indemnity:** The indemnity payable under Article 2.7 (Rate of Indemnity) shall be paid in monthly instalments after the expiration of the Waiting Period but in no event shall such indemnity exceed the total limit of indemnity appearing in the said Article 2.7.

2.9 The Indemnity Period for which the Insured may obtain indemnity shall not be limited by the date of expiration of this policy.

2.10 **Other Facilities**

In the event of loss as defined for Total Interruption of Business (Article 2.3) herein it is agreed that should the Insured obtain other suitable facilities with which to operate, then upon resumption of commercial operations with such other facilities such loss shall be adjusted in accordance with the Partial Interruption of Business clause.

Additional costs and expenses necessarily incurred by the Insured in obtaining other suitable facilities shall be insured under this policy to a maximum limit of __________.
ARTICLE 3 - EXCLUSIONS

No coverage shall attach under this policy in respect of:

3.1 Risks which are insured under any other policy of insurance or which are the subject of indemnity under any other policy of insurance.

3.2 Any additional costs, expenses, commitments and consequential losses which are the responsibility of the Contractor(s) or his Sub-Contractors, Suppliers or Manufacturers under contract(s) or purchase orders.

3.3 Losses resulting from:
